

OLYMPIC REGION CLEAN AIR AGENCY 2940 LIMITED LANE NW OLYMPIA WA 98502

AGENDA of May 8, 2024 * 9:00 a.m. Finance Committee Meeting

ORCAA's meeting are held at the above address, however they will also be available virtually via the information below.

If you would like to participate in the meeting via Zoom video conference, visit https://us02web.zoom.us/j/88654004897?pwd=NkIndCtlUEtPY25UTIFWbG96eXEyQT09 join with Meeting ID: 886 5400 4897 and Passcode: N5MiRD

If you would like to participate in the meeting via Zoom audio only, call 1-253-215-8782 and join with Meeting ID: 88654004897 and Passcode: 728745

Be courteous - mute your mic if not speaking

CALL TO ORDER

APPROVAL OF AGENDA (*action item*) (Ask for any corrections, additions/omissions)

APPROVAL OF MINUTES (action item)

1. Minutes of April 10, 2024

UNFINISHED BUSINESS

- 1. Fiscal Year 2025 Draft Budget continued discussion from April meeting. Including:
 - a. Quick recap of draft budget
 - b. Discussion of draft Resolution 285 (use of penalty and settlement funds)
 - c. Discussion of potential insurance rate increases from Enduris

GOOD OF THE ORDER

ADJOURNMENT

NEXT MEETING – July 10, 2024 (tentative)

OLYMPIC REGION CLEAN AIR AGENCY 2940 Limited Lane NW Olympia, Washington 98502

Finance Committee Meeting – Hybrid via Zoom

April 10. 2024

A video recording of this meeting is available at: https://www.voutube.com/ORCAA

Files discussed at this meeting are available at:

http://board.orcaa.org/

Members Present: Greg Brotherton, Jefferson County (Chair)

Jim Cooper, City of Olympia Randy Neatherlin, Mason County

Members Absent:

Legal Counsel:

Staff Present: Jeff Johnston, Executive Director; Lynn Harding, Financial Services Manager;

Mike Shults, Compliance Manager; Dan Nelson, Communications Manager,

Debbie Moody, Office Manager/Public Records Manager

The meeting was called to order at 9:07 am.

APPROVAL OF AGENDA (:13)

Brotherton asked for approval of the agenda. Neatherlin moved approval and the motion carried unanimously.

APPROVAL OF MINUTES (:27)

Brotherton asked for approval of the Minutes. There was a modification to members absent and Cooper moved approval, motion was seconded and carried unanimously.

NEW BUSINES

Fiscal Year 2024 – Third Quarterly Report (:57)

Harding noted we are covering 9 months of our fiscal year and noted we have received \$4.8 million, with much of that from penalties. Harding reviewed several line items in the Revenue section of the financial report.

Johnston noted the receipt of the Crown settlement is why the revenue number is so large. The Crown settlement was by far the largest of our recent settlements, but there have been a few other relatively large ones this year. Our goal is always to work with our sources to stay in compliance with their permits, so we do not need to assess penalties against them. Shults gave a brief background on a few of the issues a source had which had resulted in the large fines.

Harding continued going over several line items for expenditures. We are at about 69% of our expenditures and 75% of the way through the fiscal year. Harding also briefly went over the fund balance, noting our budget is doing well.

There was some discussion regarding the investment pool and if we should look into other options. Johnston's final note was his recommendation is to stay with Thurston County's investment pool, but we will investigate other options for the Board to consider.

Fiscal Year 2025 - Draft Budget (21:10)

Harding explained the draft budget includes some additional information to assist in the understanding of the budget in its entirety. Harding noted we used a CPI of 3.5% for salaries and fees and went over the highlights of the budget in both revenue and expenditures.

Neatherlin noted that given what's happening with insurance rates right now, he would support an increase of \$5.000 for insurance beyond the proposed increases for FY2025 and FY2026. Cooper wanted to discuss the proposal to increase the Expense Contingency from 20% to 30%, wondering how we can sustain the larger set-aside. Harding went over the fund balance to explain what the change would include. Cooper asked how we would sustain the \$400K proposed draw on contingency funds. Johnston explained that in the next year we will look carefully at our fee programs to ensure that these programs are paying for themselves. The large contingency draw in the proposed FY2025 budget is also a function of ongoing succession planning. Johnston noted we will continue to monitor our budget to ensure we can sustain our budget. Cooper noted he understood and agreed with the philosophy.

Johnston noted we have drafted a resolution to clarify how the agency uses penalties and settlements. Brotherton asked if this was for all penalties or just the very large ones. Johnston noted it would be for all penalties. Cooper asked if this would be another contingency fund. Harding noted it would be. Neatherlin noted he agreed with the resolution and appreciates that it will deter future boards from using the penalties as a windfall. No decision was made at this time.

Brotherton asked for timeline. Harding noted if the committee was good with the minor changes as requested, we would then bring the draft to the full Board in May.

Neatherlin asked if we would be looking for grants for EV chargers. Johnston stated we will most certainly be looking at grants.

There nothing further for the committee.

ADJOURNMENT (51:25)

The meeting adjourned at 9:58 am.

CERTIFICATION

I hereby certify this is a true and correct copy of the minutes of the meeting of the ORCAA Finance Committee held hybrid, via Zoom, on April 10, 2024, in Olympia, Washington.

ATTEST:	
Jeff C. Johnston, Executive Director Olympic Region Clean Air Agency	Greg Brotherton, Chair ORCAA Finance Committee
DATED:	<u> </u>

Olympic Region Clean Air Agency FY2025 Budget Overview

(Revised Date 05/03/2024)

This summary outlines ORCAA's FY2025 budget. The budget is based on our best estimates, applying the Consumer Price Index (CPI) as directed in Board Resolutions 274 and 275, and identifying key highlights for both revenue and expenses. The following documents are included with the budget package:

- Revenue, Expenditures and Appropriations from Contingency Funds
- Fund Balance
- List of planned building maintenance and leasehold improvements
- Salary Costs Adjustments & Dependent Coverage Contribution history
- Draft FY2025 Salary Step Chart
- ORCAA Organizational Chart
- Draft Fee Schedule
- Resolutions #274 and #275 that direct staff on fee and assessment increases

FY2025 Overall Highlights:

- Applying the CPI for the year ending December 2023 of 3.5% to fee programs.
- Staff completed a workload analysis for all fee programs (registration, asbestos, outdoor burning, notice of construction, notice of intent, and Title V) consistent with Resolution #274 approved by the Board.
- The budget includes 19.2 FTEs.
- Programs that are unfunded or underfunded rely on Federal/State Core grant support.
 Unfunded programs include outdoor burning, and certain costs associated with the NSR program. Underfunded programs include air monitoring activities, the Woodstove Education and Enforcement, and Woodsmoke Reduction programs.
- The budget draws on Unreserved Fund Balance to balance the budget.
- The budget continues to set aside funds for the following Board approved contingency and capital funds:
 - o Emergency set aside
 - o Office Building
 - Monitoring Equipment
 - o Database/Equipment
 - Vacation/Sick Leave
- Assumes 100% occupancy in rental income.

Summary of Revenue:

- Budget Revenues are projected at \$3.4 million including Contingency Draw
- Grant revenues represent 17%, Fees and Assessments 60%, Penalties 5%, Rents/Miscellaneous/Interest 6%, and Contingency Draw 12%

- The agency receives grant funding from several governmental sources including the Environmental Protection Agency (EPA), the Washington State Department of Ecology (ECY), and the Energy Facility Site Evaluation Council (EFSEC). These funds support ORCAA's mission to promote air quality and take actions that protect the health and welfare of people and the natural environment in ORCAA's six-county jurisdiction.
- Federal and State Core Funds assist in implementing comprehensive air quality control programs in seven major categories: enforcement, permitting, monitoring, public education, program development, technical and business assistance, and administration.
- ORCAA actively applies for grant funding to support special projects that further our mission.
- In FY2022, ORCAA was awarded American Rescue Plan (ARP) funds from EPA for the Cheeka Peak Observatory (CPO) to support infrastructure upgrades and site improvements. The ARP grant was successfully completed in December 2023. The CPO NCore site is one of two NCore sites in Washington State with on-going funding provided by EPA for operations and maintenance.
- ORCAA intends to apply for additional air-related grant opportunities, including grants to assist in electrifying ORCAA's fleet and the installation of charging stations at ORCAA's office.
- No major increases or decreases in on-going funding of existing State and Federal Grants: Core, PM2.5, CPO, Woodstove Education and Enforcement, Woodsmoke Reduction, and EFSEC. We are keeping a close eye on EPA funding and expect the 103 and 105 grants may decrease next year due to reduced funding from Congress.
- Grants are multi-year contracts with terms ranging from 2-5 years and support programs that include:
 - o PM2.5: a 5-year grant funded by Ecology to operate three air monitoring sites in Aberdeen, Lacey, and Port Angeles
 - CPO: a 4-year grant funded by EPA to operate a remote monitoring site in Neah Bay on the Makah reservation.
 - Woodstove Education and Enforcement is a 2-year grant funded by Ecology to educate woodstove dealers and the public about woodstove emissions, methods achieving better efficiency and performance from woodstoves, and to meet the goals of the State and Federal Clean Air Acts.
 - Woodsmoke Reduction is a 2-year grant funded by Ecology that provides funds to remove stoves that are not compliant with 2020 standards – as well as other qualifying solid-fuel combustion devices – and ensures their destruction and allows for replacing devices with a cleaner and more efficient alternative.
- EFSEC is a 2-year grant to provide technical review of air emissions, permitting and monitoring services and assist EFSEC in carrying out its regulatory oversight of the Grays Harbor Energy Combustion Turbine facility in Satsop, Washington.
- Fee programs include the 3.5% CPI, as per ORCAA Board Resolution #274.
- The Title V Program is mandated by federal law under the Clean Air Act. The program is to be self-sufficient, financed by fees collected from major sources, and not rely on general fund resources to support its operations. ORCAA staff prepare a workload analysis with a projection of costs for compliance monitoring, permit writing, enforcement, and reporting to assure compliance with air quality requirements.

- 7 of the 11 sources in ORCAA's Title V program will have a reduction in their fees ranging from 0.2% to 8.1% for FY2025 while the remaining 4 will see an increase from 0.5% to 6.9%. The budget includes contributions to a contingency fund necessary to cover unforeseen costs that exceed budget revenues.
- Other income includes interest income on the agency's fund balance, penalty and settlement revenue, miscellaneous income from sale of property (vehicle, surplus, rebates), and rental income from ORCAA's seven tenants.
- Interest income is projected at a higher amount due to the increased fund balance and it's highly likely the fund balance will stay constant throughout FY2025. ORCAA is part of Thurston County Investment Pool (TCIP). Though interest rates have fluctuated this past year, ORCAA will continue to invest 100% of funds within the TCIP.

Summary of Expenses:

- Budgeted expenses total \$3.4 million, an increase of 5% over the approved budget for FY2024. The main reason for the difference is salaries and benefits.
- Payroll expenditures, the largest portion of expenses, represent 81%; non-payroll (supplies, postage, hardware/software) 10%; Building-Maintenance and Operations 4%; Direct Operating 5% (Woodsmoke Reduction vendor payments, Ecology Oversight fees, CPO operations & maintenance)
- Paid Family and Medical Leave is funded through premiums paid by both employees and employers. ORCAA has elected to pay the employee portion of the premiums at a cost of \$12,200.
- Employers and employees typically share in the costs of Labor & Industries (L&I) or workers' compensation premiums. ORCAA has elected to pay the employee portion on behalf of the employee at a cost of \$4,400.
- The agency is fully staffed with budgeting for 19.2 FTEs. This includes a 4% increase from AWC Employee Benefit Trust who administers the agency health benefits, and no increase for DRS pension contributions as estimated by the Actuary Committee. The PERS employer portion is 9.36%. The rates are subject to change based on changes to plan provisions, assumptions, and actual events.
- The budget includes \$7,000 for a contract with Compensation Connections for HR related assistance (reviewing agency's overtime eligible and exempt positions, and support with a review of the Policies & Procedures Manual).
- The budget includes \$25,000 for work on updating the agency's strategic plan (last updated in 2018).
- The budget includes \$10,000 for staff development work.
- Continuation of an annual contract with The Rhizome Collective for on-going maintenance and support of ORCAA website for \$2,250.
- IT Hardware and software purchases includes required subscriptions costs for needed software, cybersecurity, cloud, and onsite storage needs, and iPads for the Inspection Team.
- Includes costs for outfitting a second conference room, purchasing a table and chairs, electrical and communications upgrades for \$3,000.
- Continue contracting with ADP for payroll processing.

- ORCAA will undergo the next bi-annual audit with SAO in December 2024 at an estimated cost of \$19,000.
- Purchase an electric vehicle to replace aging vehicle (2007 Escape-Hybrid) to begin electrifying the ORCAA fleet.
- Installation of a two plug Level 2 EV charger at the ORCAA office. We will look to offset this expense with grants, but the estimated cost for the charger is \$26,000 for equipment and electrical work.
- Invest in maintenance and improvements of office building, HVAC, and flooring replacements. The proposed budget does not include any significant capital expenses for the building beyond estimates to change out 1-2 HVAC systems and flooring upgrades on ORCAA's side of the building. Please refer to the Office Building Maintenance/LHI for additional detail on maintenance projects.
- A small increase in funding to OlyMAP to support their work reducing hazardous burning in unsanctioned homeless camp communities in Olympia.
- Does not include satellite office in Pacific County

Contingency & Capital Funds:

Contingency and Capital Funds represent balances set aside for a specific project or purpose. The Board has previously authorized by Resolution funds be set aside for emergencies, office building improvements, replacement of monitoring equipment, a new agency database, and payment of vacation and sick leave to retiring employees. The ending fund balance for FY2025 is projected to be \$3,879,317.

ORCAA sets aside a general fund contingency 20% that is equivalent to approximately two months of administrative and operations costs. An adequate fund balance is critical, and though we cannot identify all risks, such as revenue volatility (i.e., large, unexpected changes to our federal or state grants), economic downturn, rental income loss, increased pension costs by DRS, increased medical costs, staff turnover and costs of retraining, having an adequate General Fund Contingency helps ensure stability.

In FY2024, ORCAA saw a significant increase in civil penalties, due primarily to the settlement with Crown Cork & Seal. Staff are establishing guidelines for the use of revenue from penalties and settlements and will provide a recommendation to the Board in the coming fiscal year. Undesignated Fund Balance is the balance available for appropriation and expenditure as approved by the Board for specific operating purposes.

ORCAA remains confident in our ability to adapt and maintain a balanced budget while delivering important and vital services in our jurisdiction.

"Operating Contingency Funds" defined

An amount established by board direction and placed in reserve Revised Res #269 dated May 2016 with 20% reserve less Title V. (Formerly: Resolution #178 dated August 1999 refers to board direction to maintain a 25% reserve level annually.)

"Capital Funds" defined

An amount established by board direction to save for long-term capital expenditures (bldg, equipment, database). Res. #251 dated 06/13/12; Res. #260 dated 11/12/14

*Funds that are held in our bank account with Thurston County Treasurer's Office. ORCAA has one fund with Thurston County and is referred to as the "General Fund".

"Fund Balance" defined

*The total Fund Balance includes all funds on deposit at the bank.

¹Complexity – Level 1, Level 2, Level 3 and Level 4

The following includes equipment that would be considered in each permit complexity class if installed by themselves. If the application includes more than one piece of equipment/process or if your equipment/process is not listed, please contact ORCAA Engineering Department for a complexity

determination for your project.

Level 1

Abrasive Blasting
Coffee Roaster
Dry Cleaner
Emergency Engine <2000bhp
Gasoline Dispensing Facilities
Rock Crushing Plant
Spray Painting – Autobody
Storage Tanks <10,000-gallon capacity excluding gasoline dispensing facilities

Level 2

Combustion Equipment <30 MMBtu/hr
Compost <50 ton/day
Cremator
Emergency Engine >2000bhp
Non-Emergency Engine
Process Equipment
Soil Remediation
Surface Coating (excluding autobody)
Welding

Level 3

Combustion Equipment 30-100 MMBtu/hr Compost 50-200 tons/day

Level 4

Asphalt Plant
Combustion Equipment >100 MMBtu/hr

³Per Rule 1.4, a "Modification" means any physical change in, or change in method of operation of, a stationary source that increases the amount of any air contaminant emitted by such stationary source or that result in the emissions of any air contaminant not previously emitted.

⁴Changes in Conditions that will result in an emissions increase are reviewed as a "modification"

²Equipment fees for other equipment not classified above is determined based on the size and the type of the unit. Please contact ORCAA Engineering Department for assistance.

OLYMPIC REGION CLEAN AIR AGENCY

RESOLUTION NO: 2018-274

Western Consumer Price Index Adjustment for ORCAA's Fee Schedules And Workload Analysis Process

WHEREAS, the Olympic Region Clean Air Agency (ORCAA) Board of Directors previously approved Resolution #268 authorizing ORCAA to adjust fee schedules using the Consumer Price Index (CPI) for the Seattle, Tacoma, Bremerton Washington area, and

WHEREAS, the fee schedules include the following programs: registration, asbestos and demolition notifications, open burning permits, notice of construction, notice of intent, and variances, and

WHEREAS, ORCAA conducts periodic workload analysis on programs to determine sufficient coverage of program costs, and

WHEREAS, the workload analysis may determine that CPI is insufficient to fully recover workload costs, and

WHEREAS, in January 2018, the Bureau of Labor Statistics (BLS) redefined CPI indices affecting Washington local government entities that use the CPI, and

WHEREAS, the BLS created the Western Consumer Price Index that includes the West region and Pacific division, and that the Pacific division includes Washington, and

WHEREAS, the Board of Directors have chosen to follow the Western Consumer Price Index which is closest in proximity to ORCAA's region, and

WHEREAS, the Board of Directors will annually adjust the fee schedules using the Western Consumer Price Index (CPI-U) for the prior calendar year, unless, after conducting periodic workload analysis of the programs the Western Consumer Price Index does not sufficiently cover program costs, and ORCAA shall publish a notice of the adjusted fee schedules as part of the annual budget to allow for public comment.

NOW, THEREFORE, BE IT RESOLVED,

- 1. The fees set forth in the ORCAA fee schedules are revised as set forth in Attachment 1.
- 2. The fees set forth in Attachment 1 shall be adjusted annually to reflect the rate of inflation as determined by the prior year's Western Consumer Price Index (CPI-U) as published in the Bureau of Labor Statistics.
- 3. Annual fee adjustments shall not exceed 3 percent of the previous year's fee.
- 4. ORCAA shall adopt the adjusted fee schedules as part of the annual budget process.
- 5. If periodic workload analyses are conducted and fees are higher than the allowed

rate of inflation in the Western Consumer Price Index (CPI-U), the Board may adopt, under separate resolution, the new fee schedules that resulted from the workload analysis.

6. Unless otherwise ordered by the Board, the fee schedules adjusted for inflation as determined by the prior year's Western Consumer Price Index (CPI-U) as published in the Bureau of Labor Statistics shall become effective on July 1st.

OLYMPIC REGION CLEAN AIR AGENCY

RESOLUTION NO: 2018-275

Western Consumer Price Index Adjustment for Per Capita Supplemental Income <u>Assessment</u>

WHEREAS, the Olympic Region Clean Air Agency (ORCAA) Board of Directors previously approved Resolution #267 authorizing ORCAA to adjust Per Capita Assessments using the Consumer Price Index (CPI) for the Seattle, Tacoma, Bremerton Washington area, and

WHEREAS, in January 2018, the Bureau of Labor Statistics (BLS) redefined CPI indices affecting Washington local government entities that use the CPI, and

WHEREAS, the BLS created the Western Consumer Price Index that includes the West region and Pacific division, and that the Pacific division includes Washington, and

WHEREAS, the Board of Directors have chosen to follow the Western Consumer Price Index which is closest in proximity to ORCAA's region, and

WHEREAS, the Board of Directors will annually adjust the per capita assessment using the Western Consumer Price Index (CPI-U) for the prior calendar year.

NOW, THEREFORE, BE IT RESOLVED,

The Board of Directors hereby amends Resolution #267 to annually adjust the rate for per capita assessment as part of the annual budget adoption by using the annual rate of inflation as determined by the prior year's Western Consumer Price Index (CPI-U) as published in the Bureau of Labor Statistics.

ORCAA Board of Director

RESOLUTION NO: 285

Guidelines for the Use of Revenue from Penalties and Settlements

WHEREAS, the Olympic Region Clean Air Agency (ORCAA) is governed by the ORCAA Board of Directors (Board); and

WHEREAS, ORCAA receives penalty and settlement revenue related to enforcement of air quality rules and regulations within its jurisdiction; and

WHEREAS, the Board of Directors deems it appropriate to establish guidelines outlining the use of penalty and settlement revenue; and

WHEREAS, staff recommends the adoption by resolution creating a Penalty and Settlement Contingency Fund, and parameters for the use of revenues collected from penalties and settlements.

NOW, THEREFORE, BE IT RESOLVED by the Board that penalty and settlement revenue received shall be receipted into a separate contingency fund (similar to monitoring, office building, database) and shall be used for Board approved purposes as included in the annual budget and consistent with ORCAA's mission and strategic plan.

IT IS FURTHER RESOLVED that if penalty and settlement revenue exceed the fiscal year budget needs, funds may be transferred to the Penalties & Settlement Contingency Fund and/or other Contingency and Capital Funds as directed by the Board of Directors.

BE IT FURTHER RESOLVED that funds in the Penalties & Settlement Contingency Fund shall be used for Board approved purposes consistent with ORCAA's mission and strategic plan.
